2. "Scene started" by 7:30 a.m.

6. If references to arrests prejudicial to this case in any way, i.e. no comparable refs to Chi cops & their curfew & violence committed.

10. Although the report does not say so, this seems like a confined arrest, for it is unlikely so many would have committed a high traffic violation. Note the Valley parade.

11. Top again, pretty obviously harassment, & again my report is without comment.

12. Entire report by field agent. No decision in more than yr? To discount what the FBI did to Parker 1/24/69 as merely a search to depart entirely from impartiality, to impose prejudice & the intent to deceive.

21. So Chi cops policemen "on routine patrol" are "in the Panther office"? From, perhaps?

Here & the following accounts of violence between police & Panthers are carefully prejudiced. While revealing reported instances of unjust charges with no evidence, & the killing of blacks by police, who police are killed in such attacks, it is all not as a consequence of violence.

Panther (Black) account follows. It will be
interesting to see if more of this is set straight.

herndon's fake TV re-enactment, ~~describing~~ describing
only "a unique episode" (41)

described as "the controversy reached a new high". The fix is
